

# Oh Susannah!!

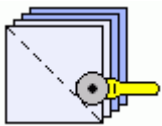

This makes a 12" block.

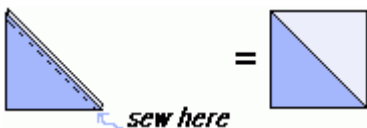

## \*\*Preparing the Pieces and Sewing the Block

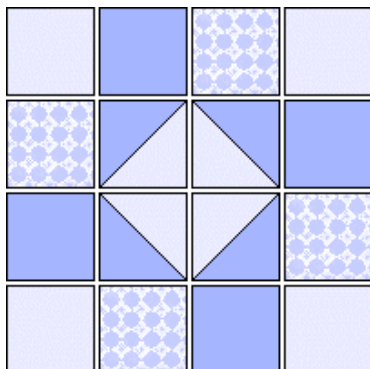

To make the needed 3-1/2" squares you will need a 14" x 3-1/2" strip of each color. Stack these together, and then using a rotary cutter, cut into four 3-1/2" squares of each

Next, cut two 3-7/8" squares of Colors 1 and 3, stack these.

Using a rotary cutter, cut them on the diagonal, being careful not to stretch fabrics. With right sides together, sew Color 1 and Color 3 triangles together, using a 1/4" seam. Press seam allowances towards darker fabric...

Now piece the squares as shown at the left, sewing four horizontal rows using 1/4" seams. Join the resulting rows and there you have it!
